#### **Use of Google Analytics with anonymization**

Our website uses Google Analytics, a web analysis service from Google Inc., 1600 Amphitheatre Parkway, Mountain View, CA 94043 USA, hereinafter referred to as "Google". The information generated by these cookies, such as time, place and frequency of your visits to our site, including your IP address, is transmitted to Google's location in the US and stored there. In using Google Analytics our website employs the extension, "\_gat.\_anonymizeIp". In doing so, Google abbreviates and thereby anonymizes your IP address before transferring it from member states of the European Union or signatory states to the Agreement on the European Economic Area. Google uses this information to analyze your use of our site, to compile reports for us on internet activity and to provide other services relating to website and internet use. Furthermore, Google offers a deactivation add-on for most current browsers that provides you with more control over what data Google can collect on websites you access. The add-on tells the JavaScript (ga.js) used by Google Analytics not to transmit any information about website visits to Google Analytics. However, the browser deactivation add-on offered by Google Analytics does not prevent information from being transmitted to us or to other web analysis services we may engage. You can find additional information on how to install the browser add-on at the following link:

This does not apply in such instances where, due to legal requirements (such as the burden of proof obligation stipulated in the Equal Treatment Act) a longer storage period is necessitated or when you expressly agreed to have your data stored for a longer period in our database of prospective applicants.
