## Merry Christmas

Dear business partners,

We were already looking at the circumstances in China with a sense of apprehension at the beginning of 2020, particularly keeping our eye on our subsidiary, GETT Asia. The ensuing weeks during the spring indicated that something was happening, which only occurs every 100 years: A pandemic, the extent of which seemed unreal and incomprehensible to all of us. The whole country was in a state of emergency. Rethinking our strategy, flexibility and digitalization became our major focus from then on.

We can now proudly say that we have shown once more that the management of the GETT Group is in tune with the times. We found a way of handling this challenging situation appropriately within a very short time. We have kept our eyes on our goal – ensuring that the corporate group continues to operate successfully. We view this difficult year as an opportunity too. We have demonstrated what is possible if we all pull in the same direction – when optimism, solidarity and determination join forces.

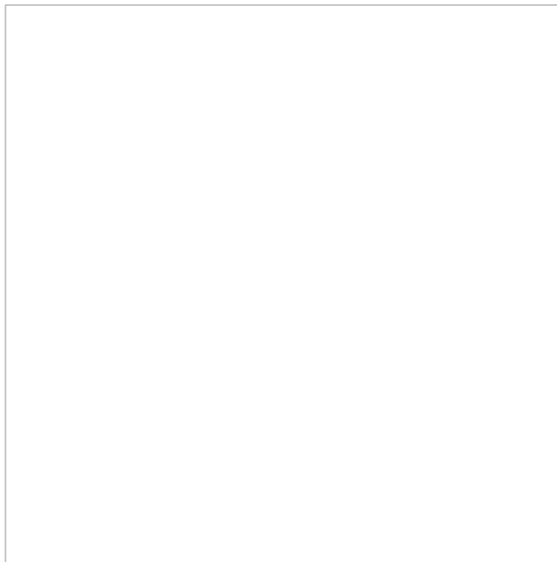

We would like to thank you for your loyalty and your trust in us and our work. Every year, we look forward to the New Year and its challenges with a sense of hope, strengthened as a team. If we work together, we will successfully cope with it. We look forward to hearing from, seeing and meeting each other in 2021.

We wish you and your loved ones a peaceful, blessed, merry and, above all, healthy Christmas and a happy New Year.

We can express this in the words of Monika Minder:

“Strength lies in the optimism of the new morning.”

Let us make the best of it together.

Warm wishes,  
The GETT Group team
