

Service: Product adviser

Service: Product adviser

We would ask you to take into account the following information when using our devices in order to guarantee the quality and long-serviceable life of our products:

- [Information on cleaning](#)
- [Resistance to materials](#)
- [IP protection](#)
- [IK protection](#)
- [Starting to use your product](#)
- [Risk management of lithium-ion rechargeable batteries](#)

If you have any questions that go beyond this, please contact our service department (see contact details on the right). It will deal with your concern immediately.

Your service contact details at a glance:
