

Warranty and guarantee

Warranty and guarantee

German law applies to all purchase agreements and any contracts to produce a work with GETT. This particularly concerns the following warranty and guarantee sections of the [German Civil Code](#).

Warranty

The crucial warranty sections for purchase agreements are:

- [§ 437](#) - Buyer rights in the case of defects
- [§ 438](#) - The limitations on claims for defects

As a result, the warranty for GETT products is generally 2 years.

The crucial warranty sections for contracts to produce a work are:

- [§ 634](#) - Customer rights in the case of defects
- [§ 634a](#) - The limitations on claims for defects

Please view in addition our [terms and conditions](#)

Guarantee

German law stipulates that any guarantee is a voluntary obligation on part of a manufacturer or seller. Guarantees apply in addition to a company's statutory liability for any defects (warranty).

[§ 443](#) - Guarantees
